

Island Flex

Flexible Spending Accounts Program

Open Enrollment: March 6 - April 28, 2017

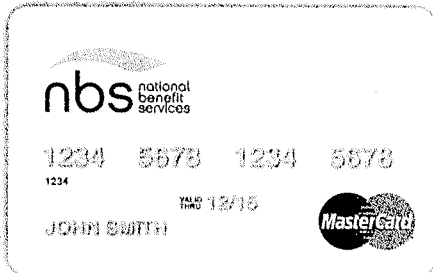

Why join Island Flex?

The Island Flex flexible spending accounts (FSA) plan is a great way to stretch your benefit dollars! It allows you to use before-tax dollars to reimburse yourself for eligible out-of-pocket medical and dependent care expenses, which decreases your taxable income and increases your spendable income.

Sign up for the Island Flex Debit Card:

Cash-flow friendly – FSAs are directly debited for eligible medical expenses, eliminating “out-of-pocket” cash payments and the wait for reimbursement.

Convenient and easy to use – no more filing of claims forms!

Use-it or Roll-Over \$500

The FSA ruling by the U.S. Treasury allows you to rollover up to \$500 of unused amounts remaining in your medical FSA plan to the following plan year.

FSA

*USE OR
Roll over \$500
LOSE*

This reduces the risk of losing your FSA healthcare contributions at the end of the plan year and eliminates the mad scramble to spend remaining FSA funds.

Webinar Sessions for 2017

The State will be providing Webinar Sessions during the open enrollment period for those who are unable to attend one of the scheduled workshops. These 45-minute meetings allow participants to listen to the presenter, view the session presentations online, and ask questions. Participants must pre-register to join. To access the webinar, the participant must logon to the website and follow the prompts. All that is needed is a computer with internet access and audio capabilities.

Please visit www.compfinplan.com to learn more and sign up for a Webinar Session!

Attend or view one of the Island Flex workshops or webinars during the Open Enrollment period March 6 – April 28, 2017 (see reverse side for workshop schedule).

Note: The Governor has approved State employees' use of up to 1-½ hours of work time (this includes travel time) to attend an Island Flex workshop, or one (1) hour to view a webinar. Sessions are approximately 45 minutes to 1 hour long.

If you are currently participating in Island Flex, your enrollment will end on June 30, 2017.

To continue, you must re-enroll during open enrollment.
