

Sustainability Across the Curriculum

Open to all faculty!

Faculty Drop-In and Coaching Session

Friday, February 28, 10 - 2pm, `Iliahi 105

- * Team up with Sustainability Committee members and Sustainability Designation faculty to find sustainability connections in your class.
- * Dialogue with faculty who have a Sustainability Designation & **learn about how to create low-prep “pop-up” collaborations!** **Also, dialogue with faculty about ‘āina-based connections to sustainability!**
- * Learn about getting a Sustainability Designation for your class or get ideas for adding a sustainability-related project or assignment.
- * Coaches are available to help you apply for the S-Designation.

- *Help your students to connect their learning across disciplines.*
- *Promote your course to motivate students with an interest in sustainability.*

Do you want help learning WHAT to do?
