

Sustainability Across the Curriculum

All faculty welcome!

Date: Friday, February 26, 2021, 10-12pm

- **Learn** about a Sustainability Designation for your class or adding a sustainability-related project. Click [here](#) to access the *S-Designation Intake Form*.
- **Talk story** with sustainability committee members and S-Designated faculty to find sustainability connections in your class.
- **Help** students to connect their learning across disciplines.
- **Promote** your course to motivate students with an interest in sustainability.
